MEMORANDUM FOR: See Distribution

SUBJECT : Management Conferences

REFERENCE : DD/M&S 73-3972 dtd 5 October 1973,  
Same Subject

1. In the reference, a copy of which is attached, the DD/M&S Plans Staff alerts us to a couple of subjects which are likely to be discussed at the 27 December DD/M&S management conference with the D/CO. These subjects include:

a. An evaluation of the MBO system as applied in OC and as applied in the Directorate, including suggestions for improvement, and

b. A discussion of FY-1976 objectives as well as desirable revisions of the FY-1975 objectives.

2. As you can see, both are rather complex subjects which will require some serious thought on the part of all OC managers, particularly in connection with the objectives. You and your staffs are requested to forward the suggestions you may have on either subject to OC-P by 27 November 1973. If the responses appear to be suitable subjects for discussion and action by the OC Executive Board, we will plan to place the subject matter on the agenda for a Board meeting on 6 December.
